

1953 Ivy Street, San Mateo

offered for \$688,000

Adorable and charming bungalow on a beautiful, tranquil tree lined street! Sit on the front porch and relax. Many upgrades including double paned windows, kitchen, and copper plumbing. **2 bedrooms and one bath in home with Garage covered into a comfortable unit with kitchen and half bath.** Easy access to hwy 92 and 101, close to El Camino, a short drive to Hillsdale Mall, San Mateo County Expo Center,

College of San Mateo and Foster City Shopping.

BUNGALOW

This narrow, rectangular one and one-half story home style became so popular in California during the 1880s as a reaction to the elaborate decoration of Victorian homes. Bungalows have low-pitched gabled or hipped roofs and small covered porches at the entry. The name "bungalow" had its origins in India.
