# 65 SELBY LANE ATHERTON

NEAR WOODSIDE ROAD IN REDWOOD CITY

## Brand New Neoclassical Mansion

This 11,000 sq. ft., 7 bedroom, 7+ baths architectural masterpiece harmoniously blends fine architectural details, exceptional superior craftsmanship, spacious proportions, contemporary comfort and gracious entertaining. The dramatic grand living room, spacious and open dining room, ballroom scale reception hall, recreation room, theater, wine cellar & tasting room, exercise room & spa, sparkling swimming pool and vast stretches of green lawn and garden offers beautiful indoor/outdoor lifestyle that captures the essence of refinement reserved through the centuries for the aristocratic elite. Like an 18th-century French nobility country chateaux, this newly built masterpiece home artfully offers you timeless enjoyment and investment.

## Identifying Neoclassical Architecture

Notice Ionic or Corinthian columned porches that often extend the full height of the house. Also typical: symmetrical facades, elaborate, decorative designs above and around doorways, and roof-line balustrades (low parapet walls).
